

**COSSIGNANI
L.E. TEMPO**

Metodo classico organic sparkling white wine

Blend

Pecorino

Terrain

Limestone Sandstone

*Average yield
per hectare*

70 quintals/ha

Vineyard

The average altitude of the vineyard is 200 meters above sea level facing South-East. Espalier training system with 2.6m between rows and 1m between plants. Guyot bilateral pruning. The vineyard is 30 years old and employs organic farming. Natural grassing is maintained between the rows to preserve the ecosystem and organic substance. Trimming and suckering are done manually, as are any thinning and defoliation operations where necessary.

Harvest period

Second ten days of August, grapes selected and harvested by hand in small 15kg boxes, which are then cooled for 24 hours in a cold room.

Vinification

The entire bunch is pressed with a pneumatic press at very delicate pressures, providing a grape/must yield of around 40%. The must is decanted cold after which the alcoholic fermentation begins, partly in temperature-controlled concrete tanks and partly in selected barriques. Partial malolactic fermentation is performed and the base wine rests in the tank until the spring following the harvest.

COSSIGNANI L.E. TEMPO

Second fermentation

In the spring period, the Liqueur de Tirage solution is prepared and added to the base wine. The bottles are closed with a stainless steel cap and lay horizontally for at least 18 months, refining with their own fermentation yeasts.

Disgorgement

The refermentation yeast is expelled from the wine and the Liqueur d'Expédition is added, bringing a dose of 1 to 6 gr/l of sugar depending on the vintage.

Refinement period

24 months

Tasting notes

The sparkling wine has a bright straw yellow colour with light green hues. Soft foam, delicate and a long-lasting bead of bubbles.

Intense aromatic freshness on the nose, with an interesting olfactory complexity that features notes of white broom flowers, fragrant fruity hints of Sibillini pink apple and delicate woody notes.

On the palate, it is fresh, bold and dry with a fine and balanced intensity of aromas. Excellent persistence and full-bodied.
